

2012 Citizen of the Year (COY) Award Nominations

The "Citizen of the Year" award is the Chamber's highest civic recognition presented to an individual and/or company that best exemplifies excellence in corporate and community relations. This year we will be celebrating the 30th Anniversary of this most prestigious event.

The individual nominee would have made a noteworthy contribution to the Century City community during the current year and/or given outstanding service over a number of years. This would include demonstrating leadership resulting in enhancement of community life, bringing about positive changes, adding value to the community, and inspiring qualities as a role model.

A company nominee would have similar traits as above and includes excellence in customer focus, improving the quality of life for others, being environmentally responsible, and looking after their employees.

The COY is one of the Chamber's main fund-raising events and some commitment from the recipients is expected, which would include assistance in obtaining attendees and sponsorships.

Nominees must also be able to attend the Awards Luncheon on Thursday, May 23, 2012 at the Hyatt Regency Century Plaza.
